

Figure out what this cipher says and use the clues to uncover the identity we have assigned to the Zodiac Killer for our contest! Then head to our website and enter to win gift certificates for 2 free private games- which can be redeemed for up to 8 people each; a total value of \$400!

In an escape room, you can ask the Game Master for a clue if you get stuck. If you need help arriving at the answer, go to our contest page and click the "Get Clues" button.
